Mr. Joseph E. Jones
1666 Connecticut Avenue
Washington, D. C. 20009

Dear Mr. Jones:

Enclosed are copies of our letter to the Civil Service Commission concerning proposed changes in benefits and premium rates in the Association Benefit Plan for the contract year beginning 1 November 1964. This letter was delivered to the Bureau of Retirement and Insurance before the deadline date of 30 April 1964.

You will note that the Association is requesting incorporation of all of the benefits specified in Mr. Conway's letter of 16 April 1964 with the exception that we selected the OB increase from \$80 to \$100. Also, our letter informs the Bureau of Retirement and Insurance of our wish for a 1% administrative expense allowance and that we have no objection to the increase requested by Mutual of Omaha.

We are hopeful that the Commission will take early action on our proposed changes.

Very truly yours,

President
